

# WILBUR WRIGHT COLLEGE

Named after a great American innovator of flight, Wilbur Wright College prepares students to soar to academic and personal success, whether their goal is to transfer to a four-year college or join the workforce. Signature programs include information technology, paralegal, and addiction studies, as well as computerized numerical control at its satellite location, Wright College Humboldt Park. The college is easily recognized by the unique pyramid—designed by renowned Chicago architect, Bertrand Goldberg—on campus.
