Named after the 38th Mayor of Chicago, Richard J. Daley College is City Colleges of Chicago’s central hub for engineering and advanced manufacturing, offering credentials in CNC machining, factory automation, welding, and more. The college recently announced plans to construct a state-of-the-art manufacturing facility, enabling it to house more students and offer innovative technology. In addition to engineering and advanced manufacturing, Daley also offers successful programs in criminal justice and education.

**Tuition and Paying for College**

Richard J. Daley College prides itself on offering an affordable college education to everyone who walks through its doors. Below is a brief overview of tuition costs for credit courses. For a more extensive overview of tuition, visit [www.ccc.edu/tuition](http://www.ccc.edu/tuition)

Richard J. Daley College also offers the Star Scholarship to eligible CPS students. Star Scholars attend City Colleges free of cost—tuition and books! For more info on Star Scholarship requirements, visit [www.ccc.edu/starscholarship](http://www.ccc.edu/starscholarship)
