WHAT IS EARLY COLLEGE?

Students have the opportunity to enroll in college-level courses through City Colleges while still in high school, reducing both the time and money needed to complete a college degree. The CCC Early College program allows two opportunities for students to earn college credit: **Dual Credit** and **Dual Enrollment**.

DUAL CREDIT

City Colleges of Chicago has partnered with a number of high schools to offer college credit classes for juniors and seniors at their high school. Participating students will receive both college and high school credit for their work without needing to alter their weekly schedule.

DUAL ENROLLMENT

High school juniors and seniors can enroll at one of the City Colleges of Chicago in a number of classes that cover subjects like English, mathematics, foreign languages, and science. Participating students can also register for career pathway courses including automotive technology, business, early childhood development, logistics, and IT.
**WHAT ARE THE BENEFITS?**

- Earn college credit while in high school
- Start training for a high-demand career
- Access to great college professors
- Receive personalized advising help
- Develop important time management and study skills

**HOW TO ENROLL**

- Begin with a conversation with your high school adviser and tell them you want to enroll. Next, contact the dual enrollment adviser at your nearest City Colleges of Chicago location.

- Must be a junior or senior in high school, who is at least 16-years-old

- Submit placement test scores: ACT, SAT, CCC Placement test
  *Check CCC course catalogue for qualifying scores.*

- Submit a Dual Enrollment application with parental and counselor signatures
  *
The Dual Enrollment application packet and checklist can be found online.*
