Malcolm X College provides a holistic education for every type of student, whether they want to transfer to a four-year college, enter the workforce after graduation, or simply take a few classes over the summer. The college offers academic pathways and General Education classes that make transferring to a four-year institution easy and convenient, as well as a variety of technical programs. As City Colleges of Chicago’s center of excellence for healthcare, MXC is equipped with facilities and resources that give students the hands-on experience they need to launch successful careers as medical professionals.
