

WILBUR WRIGHT COLLEGE

Named after a great American innovator of flight, Wilbur Wright College prepares students to soar to academic and personal success. Signature programs include engineering, computer science, and paralegal, as well as computerized numerical control (CNC) at its satellite location, Wright College Humboldt Park. The college is easily recognized by the unique pyramid—designed by renowned Chicago architect Bertrand Goldberg—on campus.

Wright College is City Colleges' Center of Excellence for Engineering and Computer Science, and also offers a wide range of other certificate and associate degree programs. You can save thousands of dollars by earning your associate degree here, then transferring on to a four-year college or university.
