

HAROLD WASHINGTON COLLEGE

Located in the Loop, Harold Washington College is in the heart of the hustle. If you're pursuing a career in liberal arts and sciences, business, the performing arts, or another field you're passionate about, this is where you can be serious about chasing your dream. We're here to help you get to the next level, whether at a new job or a four-year university.

The college's Center of Excellence is in Business and Professional Services, part of a highly-connected campus providing you access to some of the biggest employers downtown and around Chicago.

Our certificate and associate degree programs can help you rise to the top—and stay there—in a variety of professions, including Accounting, Banking, Human Resources, Management and Marketing, and more.
