

KENNEDY-KING COLLEGE

Your journey to success starts at Kennedy-King College. We are a community catalyst, offering students many pathways to their future and serving the South Side as a hub of learning and connection.

We are proud to have Centers of Excellence in Culinary Arts and Hospitality at the Washburne Culinary Institute, and in Construction Technology. With extensive, top-of-the-line facilities and equipment right on campus (including tech programs at Tech Launchpad), you'll be able to seamlessly transition from a classroom to a career.

Whatever your passion is, we'll help you follow it, with personalized support every step of the way. Whether your goal is to transfer to a four-year college, quickly enter the workforce, advance your career with a certificate, earn a high school diploma, or learn English, here you'll learn from the best how to give your best.

Kennedy-King College also offers Early College classes to high school students (www.ccc.edu/earlycollege), Continuing Education for personal and professional enrichment (www.ccc.edu/ppd), and free High School Equivalency (HSE) and English as a Second Language (ESL) classes (www.ccc.edu/ae).

Start at Kennedy-King and graduate from a four-year institution for a fraction of the cost.

Students can save thousands of dollars by completing an Associate in Arts (AA), Associate in Science (AS), Associate in General Studies (AGS), or Associate in Engineering Science (AES) and then transferring to a four-year institution. As one of the seven City Colleges of Chicago, Kennedy-King College helps students transfer to top colleges and universities, including: **University of Illinois at Chicago, Chicago State University, National Louis University, Southern Illinois University Carbondale, and Northern Illinois University.**
