

WILBUR WRIGHT COLLEGE

Come to Wilbur Wright College on the Northwest Side to study with the best, join a caring community, and find your path forward.

The college's nationally-recognized Center of Excellence is in Engineering and Computer Science, and also offers college-credit courses and certificate programs to help prepare you for work in fields like Criminal Justice, Paralegal, Cybersecurity, Business, Occupational Therapy Assistance, and much more.

Proud to be a Hispanic Serving Institution, Wright has also been identified by Excelencia in Education as doing exceptional work in supporting Hispanic student success.

You can save thousands of dollars by earning your associate degree at Wright then transferring to a four-year university, or you can quickly get to work with one of our certificate programs. You can also enroll in non-credit continuing education courses, or take classes to learn English or earn a high school diploma.
